

## Atrichornis 012

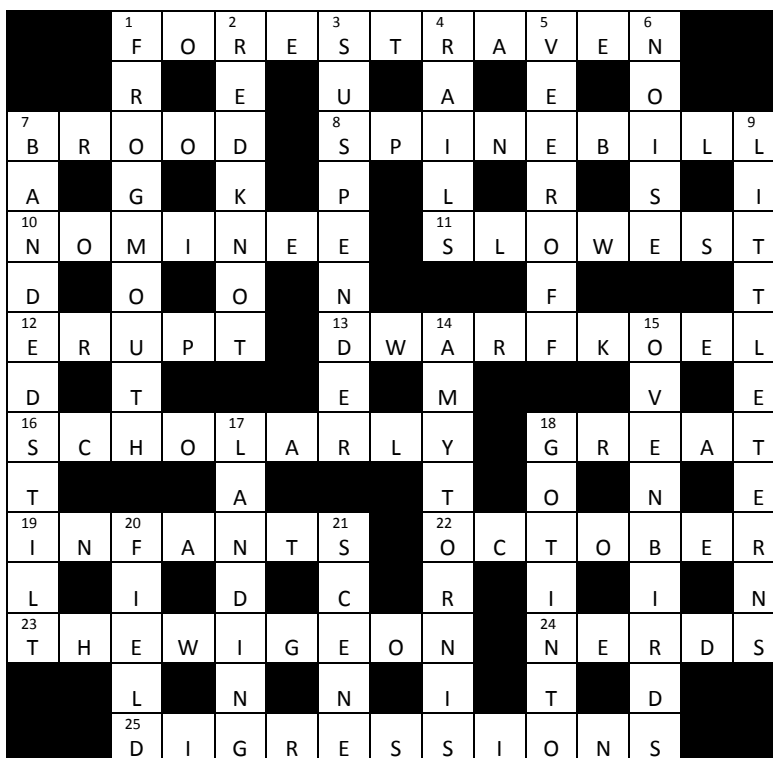

### Across

- 1 This corvid is never fast or fluttery! (6,5)
- 7 Think about nestlings (5)
- 8 Invoice for fixing backache from looking up at this honeyeater? (9)
- 10 A candidate opposed to open-cut activity at the start of egg-laying (7)
- 11 Owl sets out to be last (7)
- 12 Snap taken from further up the track (5)
- 13 Indonesian cuckoo which could be walked for! (5,4)
- 16 Moved Holly's car, perhaps is involved in bird studies? (9)
- 18 Involved in meagre attempt at describing a type of egret (5)
- 19 Ann fits out these fledglings (7)
- 22 A good month for birdwatching – but begins with coot, unfortunately (7)
- 23 He went, I go wandering for a Eurasian duck (3,6)
- 24 Derogatory term for birders – never ever really describes some beginners (5)
- 25 Singers I'd so arranged to evoke 5D (11)

### Down

- 1 Night bird recovered from tough exercising (9)
- 2 Trend OK? Unfortunately, for this shorebird it isn't (3,4)
- 3 Ends super outing with a lingerie show! (9)
- 4 Cryptic waterbirds which you won't want to come off (5)
- 5 Change direction – result of fever outbreak (4,3)
- 6 I nose around to identify a rustle in the forest (5)
- 7 Bald dentist stumbled across this shorebird (6,5)
- 9 Listener has total odds for finding these birds (6,5)
- 14 Main story about this genus is interesting (9)
- 15 Turkeys are not members of this American wood-warbler guild! (9)
- 17 Touching down in an island in Greece (as some birds may do) (7)
- 18 Became very involved – with tooting? No! (3,4)
- 20 A guidebook's theme may be misfiled (5)
- 21 Overheard that the vista was spotted (5)
