

Atrichornis 026

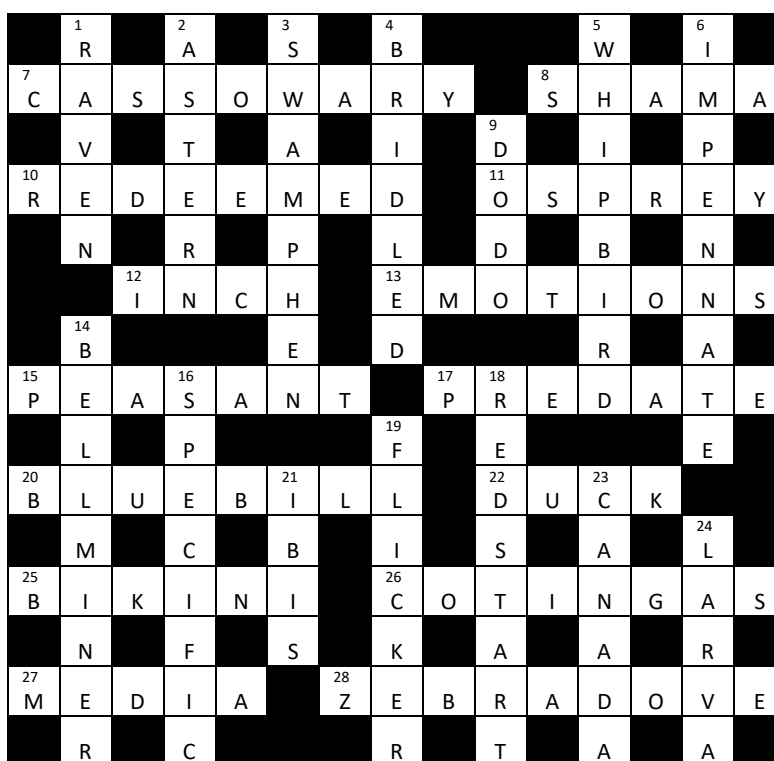

Across

- 7 Rainforest bird was scary when roaming (but there's nothing to it) (9)
- 8 Asian passerine – some flash a magnificent white rump! (5)
- 10 Performed mere deed and restored favour (8)
- 11 Raptor, apparently preferring large food items (6)
- 12 Measure small seed-eater? Not quite. (4)
- 13 Turn into some birdwatching reactions (8)
- 15 Yokel will need head start to find bird (7)
- 17 Take prey when older (7)
- 20 African finch reviews bible surlily in seconds (8)
- 22 Waterbird starts dining upon common krill (4)
- 25 Seabird atoll (answer comes in two parts) (6)
- 26 South American passerines found coasting around (8)
- 27 Aimed to review *Australian Birdlife*, for example (5)
- 28 Zorba veered unhesitatingly, disturbed Asian columbid (5,4)

Down

- 1 I'm black (quoth he) (5)
- 2 There's an unusual *Sterna* behind the boat (6)
- 3 Needing maps when twitching this waterbird (8)
- 4 Bird led astray (a tern) (7)
- 5 Initially when heard, it pleases, but it's rather deafening! (8)
- 6 Mean, inept, wayward, featherless ... (9)
- 9 Flightless bird turning odd over nothing (4)
- 14 Berlin elm unlikely to host this honeyeater (4,5)
- 16 Very precise with the bird's ID (8)
- 18 European passerine issues confusing traffic light instructions (8)
- 19 Measure of hope for a woodpecker (7)
- 21 A readily identified waterfowl – its bill is sizable, for starters (4)
- 23 Loons can be in mint condition here (6)
- 24 Prey item for many birds – of particular value (5)
